If special accommodations are needed class 596-0315 48 hours in advance. TTY 800-745-5555

POLICY RELATING TO ADMINISTERING MEDICATION TO CHILDREN IN SCHOOL

This policy is established to govern the administration of medication to students by School Nurse Teachers during school hours. The medication must be in a pharmacy-labeled prescription container and will be kept in the school health room in a locked storage cabinet. Medication may be dispensed only by School Nurse Teachers. Medications which maybe purchased over the counter are not allowed without a physician's authorization.

Parents are requested, whenever possible, to schedule the administration of medication outside of the normal school day.

1. The administration of such medication is requested, in writing, by the student's attending physician, **and**
2. The parent or legal guardian of the student has authorized, in writing, the administration of such medication, **and**
3. The physician's written request and the parent/legal guardian's authorization form is delivered to the school office where the student is attending, **and**
4. The medication is brought to the school by the parent/legal guardian in a pharmacy-labeled contained.

Authorization forms, to be completed by the physician and the parent/legal guardian, shall be available at the school where the student is attending. **Forms must be completed each school year.**

Students with special medication needs attending field trips and self-carry and self-administer medication with proper documentation and completed field trip form. Students may not be excluded from field trip activities because of medical conditions.

At the discretion of the School Nurse Teacher and with the physician's signature, students may be allowed to self-carry and self-medicate with Epi-pens and inhalers.

Parents or legal guardians shall contact the school nurse teacher at the student's school to discuss the student's medication needs, particularly when a student's condition is chronic and requires long-term medication.

The Superintendent of Schools shall develop and disseminate appropriate implementation procedures for this policy.

*School hours being when students are picked up by the bus to the time they are returned by the bus.
